## Author Jennifer Pharr Davis

This month Vermillion Public Library is welcoming 2012 National Geographic Adventurer of the Year Jennifer Pharr Davis to discuss her new book, *The Pursuit of Endurance: Harnessing the Record-Breaking Power of Strength and Resilience*.

Jennifer is a long-distance hiker, author, and speaker who has logged over 12,000 miles on six different continents, including thru-hikes of the Pacific Crest Trail, the Colorado Trail, Vermont's Long Trail, numerous trails in Europe, and the Appalachian Trail three times! In 2011 she tested her physical limits by setting the fastest known time (male or female) on the Appalachian Trail by hiking 47 miles a day for 46 days straight.

The program will start at **6:00 pm on Friday, July 20th** in the Kozak Room. Jennifer will be sharing slides, stories, answering questions, and reading excerpts from her book. She will also hold a book signing with copies of her books available for sale.

This event is sponsored by the Vermillion Public Library and the South Dakota Sierra Club.

## Life & Music of Badger Clark

Join us on **Thursday, July 5th at 6:00 pm** for our rescheduled visit from SD Humanities Council Speakers Bureau scholar Pegie Douglas. Pegie will take us on a musical journey through the life of Badger Clark, South Dakota's first Poet Laureate. This fast-paced program includes a narration of Badger Clark's life, along with his poetry set to music. Pegie will discuss Clark's life, and sing one of his poems, while playing the guitar! In the Kozak Room.

## Lunch & Learn Returns!

Join us again for Lunch & Learn at the Library, a program designed to fit within your lunch hour. Refreshments will be served, and you are welcome to bring your own lunch!

On **Friday, July 6th from 12:00 to 1:00 pm** we will be showing a free screening of the award winning documentary *Through the Eye of the Needle: The Art of Esther Nisenthal Krinitz*. In this 30-minute film, a Holocaust survivor's story is told through her beautifully stitched images and vivid accounts, as well as through interviews with her daughters and others.

Esther Nisenthal was 15 years old in October of 1942 when the Jews of her tiny village in Poland were ordered by the Nazis to report to a nearby train station. Anyone remaining in their home would be shot. Esther refused to go, and ran away with her 13 year-old sister Mania, never to see her other loved ones again. Esther eventually invents new identities for herself and Mania as Polish Catholic farm girls – while they hide in plain sight from the Nazis.

Esther's story of survival is remarkable on its own. But it is all the more extraordinary because of her method of storytelling: stitching and embroidering. It comes to us with unexpected beauty in a series of 36 large fabric collages, intricately embroidered in vivid color, created more than 40 years after the war. They depict one young girl's eyewitness account, scenes of tragedy and trauma juxtaposed with the exquisite beauty of the natural surroundings. It is as if nothing escaped Esther's attention, or her memory.

This documentary will be shown in the Kozak Room, and is open to all guests!

**“You want weapons? We're in a library. Books are the best weapon in the world. This room's the greatest arsenal we could have. Arm yourself!”**

## Henna Night

Henna tattooing has a long history among many Eastern cultures, and can be traced back to ancient Egypt. The tattoos can last a couple of weeks depending on where they are placed.

On **Friday, July 6th at 5:30 pm** adults and families are invited to learn about the art of henna tattoos, and to receive small temporary tattoos of their own!

While here, try some authentic Baklava or Turkish Delight! This event is free. Please no unaccompanied children! Takes place in the Kozak Room.

## Friday the 13th Books & Brews

Our July Books & Brews event falls on **Friday the 13th** this year, and seeing as 2018 marks the 200th anniversary of the publishing of Mary Shelley's novel *Frankenstein*, we've decided to show an appropriate movie in celebration!

The film chosen by voters is the comedy classic, *Young Frankenstein*. This free movie will be shown inside the air-conditioned comfort of the Kozak Room starting at **7:00 pm**. Bring your own beer, wine, or nonalcoholic beverage, and we'll provide the popcorn and candy!

This event is just for adults 21 and older.

## Thank You for the Flowers

We would like to thank the Friends of the Vermillion Public Library and Vermillion Parks and Recreation for the time, money, and effort they have contributed to the maintenance of our flower beds!
