Kim Clodfelter

Join us at the Edith B. Siegrist Vermillion Public Library on **Tuesday, March 12th, 2019** at **5:00 pm** as we welcome home Kim Clodfelter, author of the new book, *Cloddy: Coach Dwane "Cloddy" Clodfelter, a Pioneer in the Integration of NCAA College Basketball*.

Cloddy is a biography about Kim's father Dwane "Cloddy" Clodfelter, former men's basketball coach at the University of South Dakota. Coach Clodfelter was a pioneer in the integration of college basketball during the 1950's and 1960's.

From humble beginnings, *Cloddy* grew up in a small town in South Dakota during the Great Depression. After graduating from Woonsocket High School in 1936, he earned a two-year teaching degree at Southern Teachers College and then began a forty-five-year teaching and coaching career. *Cloddy* became the men's basketball coach at USD in 1954. At that time, college basketball was not fully integrated. In *Cloddy's* first year as men's basketball coach, he recruited two black brothers from Brooklyn, New York. For the next thirteen years, he continued to recruit minority athletes and, along the way, met with stiff resistance. *Cloddy* is a testament to hard work, courage, and loyalty.

Kim Clodfelter grew up right here in Vermillion and is a graduate of USD. He currently lives in Tennessee. Learn more about him on his website and blog at kimclodfelter.com.

Human Library

The Human Library is returning to Vermillion! University Libraries, USD will be hosting the event in partnership with the Vermillion Public Library. The event will take place on **Tuesday, March 19th, 2019 from 4:00 – 7:00 pm** at the ID Weeks Library on the University of South Dakota campus.

A Human Library works similarly to a traditional library, with volunteers acting as books to be checked out by readers. The book and reader engage in up to 20 minutes of conversation about the book's experience(s). Join us at the I.D. Weeks Library and check out a human book! The event is completely free and open to the public, and is an excellent opportunity for people to learn more about each other while working through stereotypes and discrimination.

Body Thrive Returns!

Did you miss the first round of the Body Thrive Workshop? Or are you interested in repeating it? Join us at the library for the popular 10-week workshop and book discussion designed to teach the most essential aspects of Ayurveda and apply them to modern life. This series is for anyone who wants to work on improving their sleeping and eating habits, and to work towards gaining more balance, ease, and flow throughout their life.

Guided by Cate Stillman's book, *Body Thrive: Uplevel Your Body and Your Life with 10 Habits from Ayurveda and Yoga*, this group will meet weekly to learn 10 specific habits from the teachings of Ayurveda in 10 weeks. That's one essential, daily habit upgrade per week! Body Thrive applies the most essential teachings of Ayurveda into a modern life by decoding the teachings into habits. Books are available for checkout at the library Circulation Desk. Meets **Thursdays in March at 7:00 pm**.

Lunch & Learn: Harry Potter

Join us at the library in March for Lunch & Learn as we delve into the magical world of Harry Potter!

In October 2017, in conjunction with the 20th anniversary of the publication of *Harry Potter and the Philosopher's Stone*, an exhibition was opened at the British Library in London that featured historical information and artifacts from the development of J.K. Rowling's well-loved series.

Narrated by Imelda Staunton, who played Delores Umbridge in the films, this BBC documentary goes behind the scenes of the British exhibition. The program also features interviews with 'real world' people with magical links!

Join us on **Friday, March 1st at 12:00 pm** in the Kozak Room. Refreshments will be served and guests are welcome to bring their own food!
