Library Card Sign-Up Month

This month the Vermillion Public Library is joining the American Library Association (ALA) and libraries nationwide for Library Card Sign-Up Month, a time to remind parents, caregivers and students that a library card is the first step towards academic achievement and lifelong learning.

A library card opens a world of infinite possibilities through resources and services that give students the tools to succeed in school and beyond. From STEAM (science, technology, engineering, arts and mathematics) programs, family storytimes, to makerspaces and in-person or virtual homework help, libraries transform lives through education.

Libraries offer free and fun educational resources and activities that bring families and communities together; they also play an important role in the education and development of children. Studies show that children who are read to in the home and who use the library perform better in school and are more likely to continue to use the library as a source of lifetime learning.

This year, Disney and Pixar's "Toy Story 4" characters Woody, Buzz Lightyear, Bo Peep and friends are going on adventure as Honorary Chairs of Library Card Sign-Up Month. In their role, they will promote the value of a library card and bring attention to the many ways libraries transform lives and communities. During September, The Vermillion Public Library will host activities, including a **free movie at the Coyote Twin**, several **book discussions**, a **#LibraryLove** photoshoot, and a **Friends of the Library Fall Lunch Event with Mike McDonald**.

Since 1987, Library Card Sign-up Month has been held each September to mark the beginning of the school year. During the month, the ALA and libraries unite in a national effort to ensure every child signs up for their own library card.

Be sure to join us here at the library as we celebrate!

Friends of the Library Fall Lunch Event

Can't get enough of small town South Dakota? Join the Friends of the Library for their upcoming Fall Lunch Event in September!

The Friends of the Vermillion Public Library have partnered with Osher Lifelong Learning Institute (OLLI) to bring Mike McDonald here to Vermillion. Mike has traveled across our great state, visiting small towns, connecting with people, and soaking up local culture. Journey along with him as he shares some of the history, geography, stories, and folks he met along the way.

Tickets are \$10 and go on sale beginning September 3rd at the library. The event will take place on **Thursday, September 26th**. Lunch will be served at **11:30 am**, and catered by Heck's BBQ. The presentation will run from **12:00 - 1:30 pm**. Seating is limited, so get your tickets as soon as possible to guarantee a spot!

Where the Crawdads Sing

Join us at the library to discuss the New York Times Bestseller, **Where the Crawdads Sing**, by Delia Owens! The discussion will take place in the Small Conference Room on **Saturday, September 21st at 2:00 pm**.

For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life--until the unthinkable happens.

Copies of the book are available for checkout at the circulation desk. Free and open to the public!

#LibraryLove and Prize Wheel

The #LibraryLove portrait series returns to the library in September, in celebration of Library Card Sign-Up Month! Join us on weekdays to get your photo taken and shared on the wall with the rest of our #LibraryLove portraits.

We will also have a fun prize wheel at the Circulation Desk! Take a spin and see what you might win. One spin per person per day, please. Prizes include candy, bookmarks, stickers, and more!

Lunch & Learn: *Neither Wolf nor Dog*

For our September Lunch & Learn on **Friday, September 6th at 12:00 pm**, we will be learning about Kent Nerbern's book, **Neither Wolf nor Dog**!

In this 1996 Minnesota Book Award winner, the reader is drawn deep into the world of an Indian elder known only as Dan. It's a world of Indian towns, white roadside cafes, and abandoned roads that swirl with the memories of the Ghost Dance and Sitting Bull. Threading through the book is the story of two men struggling to find a common voice. **Neither Wolf nor Dog** takes readers to the heart of the Native American experience.

Learn about and discuss **Neither Wolf nor Dog** while you eat your lunch! Refreshments will be served, but guests are of course welcome to bring their own food. Haven't read the book yet? Stop by anyway and listen to the discussion! If you are interested in reading the book before the program, copies are available for checkout from the Circulation Desk.

This program was made possible by the South Dakota Humanities Council, an affiliate of the National Endowment for the Humanities. This event is free and open to the public.

Free Movie at Coyote Twin: *The Public*

Remember to see this movie written and directed by Emilio Esteves on **Saturday, September 14th at 1:00 pm**! Sponsored by the Vermillion Public Library.

**"Outside of a dog, a book is a man's best friend.
Inside of a dog it's too dark to read."
~ Groucho Marx ~**
