MOBILE HOTSPOT LENDING POLICY

To increase digital access for area residents, mobile hotspots are available to borrow from the Edith B. Siegrist Vermillion Public Library. Mobile Hotspots help in fulfilling the Library's mission to provide access to informational, educational and cultural resources by providing an access point to digital resources.

A "Hotspot" consists of the mobile wireless Hotspot device itself as well as its charger, charging cord and case. Borrowers are responsible for the safe-keeping and return of these items to the library in good working order and assume liability for the equipment while in their care. The patron must sign the Library's Hotspot Agreement the first time a Hotspot is checked out.

When a patron borrows a mobile Hotspot, the patron's use of the equipment is available under the following terms and conditions. By borrowing a hotspot, the user agrees to abide by the Library's policies and rules, and agrees to hold the Library and its agents harmless from any claims, losses, damages, obligations, or liabilities directly or indirectly, relating to the use of the library's hotspot and the internet access provided by the library.

- It is the patron's responsibility to know the due date for the mobile Hotspot to be returned.
- Mobile Hotspots will not be considered returned until ALL items associated with it have been returned to the library.
- Borrower is responsible for damaged, missing and /or lost pieces of the borrowed items. Borrower agrees to pay any replacement costs, as determined by the library.
- If the mobile Hotspot is damaged or not returned within 7 days of the due date, the borrower can be charged a replacement fee at the current rate for the Hotspot (approximately \$199). The mobile Hotspot must be returned in less than 30 days for the lost fee to be waived.
