OCTOBER 2023 ISSUE

October 1st - 7th – Let Freedom Read

Banned Book Week Library Display

Libraries are one of the best public resources available. We offer thousands of free materials from tools, kids' toys, movies, and of course books. While not everyone agrees on what materials we have, censorship is never the answer. With this in mind, we want to focus on the upcoming Banned Books Week on **October 1-7th**. We created this display to bring to light the record number of bans and challenges from last year.
