

No Sew Plushie

Included in Kits: Felt, spooky template, cotton balls/stuffing

Not included: hot glue, scissors, marker

****These instructions are the same for either the bat or ghost plushie****

1. Cut out the template, then trace around the template on to the felt.
2. Cut out your bat or ghost.
3. Glue your two pieces of felt together, but leave a space to put your stuffing inside.
4. Pull your cotton balls apart to fluff up your stuffing and place inside your plushie.
5. Seal your plushies closed
6. Then cut out eyes and a mouth for a ghost, or eyes for a bat and glue to your plushie.
7. Enjoy!
