

Tattoo Mugs

Supplies Needed: Temporary Tattoo, Mug, washcloth/sponge,

Mod Podge or Decoupage, paint brush

1. Wash and dry your cup.
2. Shape down your temporary tattoo. Use either the one provided or if you have one you can use that!
3. Apply the tattoo to the cup using either a washcloth or a sponge. Let tattoo dry and then seal with a layer or two of mod podge or decoupage or watered down glue.
4. Enjoy!

- a. Handwash gently as possible.
