

Wine Cork Pumpkins

Included in kit: wine corks, felt

Not Included: scissors, hot glue

1. There are 25 corks, 1 is for the stem of the pumpkin. Lay the corks in the pattern of 6 across and glue together.
2. Glue 5 on top of the already 6 glued together. Then 4 on top of that. Put to the side.
3. Lay 5 together and glue, then 4 on top of that.
4. Glue the 2 pieces together, the pattern from the top should be:
 - a. 4 across
 - b. 5 across
 - c. 6 across
 - d. 5 across
 - e. 4 across
5. Cut out leaves from the felt. Glue to the top of the pumpkin. Glue the last cork on top of that as well.
6. Enjoy!
